Either way -- all assignments **MUST** be submitted to the Google Classroom by each due date **except** the Unit 1 Practice MCQ & FRQ which must be written by hand and handed in no later than Friday, September 8th.

### Resources and Materials to Set Yourself Up for Success:

- [Graphing calculator!](#) (TI-83 or TI-84 PLUS) We will use a graphing calculator almost every day in class, on homework, and on the entire AP Exam! If you cannot get one yourself, school can issue you one at the beginning of the year.
- A [large binder](#) to organize your course materials. Consider getting dividers to separate notes, classwork, graded assignments, MC and FRQ practice.
- A great work ethic and a positive attitude!
